

# FINDING THE RIGHT DENTAL HOME FOR Your Child with Special Health Care Needs

## PRACTICE

- Do you take my child's insurance or offer payment plans?
- Do you need any health history forms before the first visit?
- Will my child see the same staff and be in the same exam room at each visit?

## PARENT

- Do you offer interpreter services and give clear home care instructions?
- Can we discuss special ways to interact with my child?
- Do you offer scheduling flexibility for my child's needs?

## PATIENT

- Do you allow a parent to come back to the exam room?
- Do you allow a comfort object in the exam room?
- Does the exam room comfortably fit wheelchairs?

## PROVIDER

- Do you have a private exam room?
- Do you offer behavioral supports?
- Are you available after hours and weekends?
